

**FOR IMMEDIATE RELEASE**

## **Fasetto Honored with CES 2020 Innovation Award**

*Forum presentation app recognized for making it easy to screen-share presentations to smartphones, tablets and laptops.*

Superior, Wisconsin- November 21, 2019- Forum, the new presentation app from Fasetto, has been named as an Honoree by the CES Innovation Awards in the category Software & Mobile Apps. The app allows users to stream their presentation to any device in the room, without the need of the internet effectively turning any space into a meeting place.

“We have been attending CES as a company for several years now. To be honored by this show that we value so highly -- and to stand among brands that we look up to -- is an incredibly humbling experience,” says Fasetto CEO, Coy Christmas. “Forum is unique in that it helps knowledge workers collaborate anywhere they are and helps companies better utilize the space they already have by turning offices, company kitchens and huddle spaces into meeting rooms.”

CES 2020 will be held in Las Vegas, Nevada, on January 7<sup>th</sup>-10<sup>th</sup>, where Fasetto will be exhibiting their latest innovations.

Forum will be displayed at the Innovation Awards Showcase at the Sands Venetian from January 7-10<sup>th</sup>, 2020, as an Innovation Award Honoree. Fasetto will also be exhibiting at booth 18115, LVCC Central Hall, CES 2020 from January 7-10<sup>th</sup>, 2020 and at CES Unveiled Las Vegas January 5<sup>th</sup>, 2020, Pepcom Digital Experience January 6<sup>th</sup>, 2020, and Showstoppers January 7<sup>th</sup>, 2020.

###

Fasetto creates technology solutions for an increasingly connected world. As a developer of hardware and software products, Fasetto makes information sharing intuitive and spontaneous with the Gravity platform that enables seamless connectivity between people, their content and the devices they use regardless of platform, device or network. The Gravity Server (LINK), opens access to the files and media

on user's devices. Forum is a powerful in-person presentation application that allows you to present directly to anyone's phone, tablet or laptop.
